REPUTABLE, EXPERIENCED LAWYERS

Your legal claim will be handled by a reputable local lawyer experienced in the subject of your claim. DAS conduct audits when selecting our panel firms by reviewing the quality, expertise, reputation, and several other key operations and performance areas. Once they are accepted on to our panel, they are measured against strict service standards to ensure we maintain the highest level of service quality for our clients.

EASY ACCESS TO UNLIMITED LEGAL ADVICE AT ANY TIME

Advice, guidance and clarity are just a toll-free call away. Our advice lawyers will respond quickly to your inquiry and provide you with a clear course of action. Simply call 1-877-832-7534, even if your legal issue is not covered by the policy.

We encourage you to call as often as needed to give yourself confidence and peace of mind in the event of a potential or in-progress legal situation.

LEGAL EXPENSE INSURANCE IN ACTION

- An insured is injured while volunteering at an event as a result of the venue's negligence. DAS would appoint a lawyer and pursue the venue for damages.
- An organization is informed that their payroll deductions will be audited by the CRA. DAS would assist the organization in responding to this audit by assigning a tax law expert and the associated costs would be covered.
- A service user alleges a volunteer acted inappropriately towards them and the volunteer is subsequently interviewed by the police. DAS would appoint a lawyer to defend the volunteer and the organization against the allegations.
