SPECIAL EVENTS INSURANCE PROGRAM

Does your organization host special events, such as conferences or fundraisers?

Understanding Special Events Coverage

The Under Our Wing Special Events Coverage policy provides Commercial General Liability insurance coverage for members who are hosting a special event, such as a conference or fundraiser. It offers protection against claims arising from accidents that occur during the event, including bodily injury and property damage caused to a third party. Examples of this include damage to the facility caused by a guest or vendor, and bodily injury to a guest caused by another guest or vendor.

The venue and/or sponsors of the event can also be added to this policy as an additional insured.

How to report a claim

Prompt claims notification is very important and should be made within 30 days of receiving a formal notice or statement of claim. Failing to report a claim may result in denial of coverage. Please refrain from making any written or oral statements to the claimant, unless the insurer or adjuster advises to do so.

If you are unsure, always err on the side of caution and report a claim.

Members receiving notice of a claim or who are aware of a potential claim should contact BMS Group directly at 1-844-294-2715 or underourwing@bmsgroup.com.
